- (4) One field kitchen.
- (5) Three motorcycles.
- (6) One-hundred and eighty troops wearing redbordered, black epaulets.
- d. The boxcars were mostly loaded with billeting equipment and machines.
- e. About 80 more flatcars were assembled but no other boxcars were seen.
- f. No entraining was observed on 26 April 1950.

3. Nord-Bahnhof:

a. The railroad station was off limits to civilians on 26 April 1950. About 22 boxcars were loaded with the following items between 10 a.m. and 5 p.m.:

Billeting equ ipment, workshop machinery, articles of clothing, flour, tilting seats as used in motion picture theaters, gasoline barrels and three transportable field baking ovens.

- b. The equipment had arrived from the Wilhelm Kaserne, the Albrecht Kaserne and from the direction of the X City District.
- c. Troops observed wore red-bordered black epaulets with van and movor transport insignia.
- d. The following motor vehicles hauled equipment to the station:
